

## Upper School Summer Reading Instructions

Dear Upper School Student –

Reading great books is a wonderful part of life. At Eastwood you will be reading some challenging and interesting classics during the school year. During the summer we only require one book. We have attached your summer instructions. Here they are in a nutshell:

1. Read your book – this will involve a choice, a trip to the library, used-bookstore, Kindle or iPad download, or a visit to our school office to pick it up. 11<sup>th</sup> grade required reading, *1776*, can be picked up at the school. We have a copy for you. We also have an assortment of 7<sup>th</sup> grade missionary books and many paperbacks of the required 8<sup>th</sup>-10<sup>th</sup> reading.
2. Your Reading Form – this contains a series of questions which you must answer. We suggest you do this during, or shortly after, your summer reading. Your first graded assignment in literature will be these questions.
3. Questions – if you have any problems securing a book, or assignment questions, you must contact the school office. If you leave a message, someone will get back with you and help you.

Have a refreshing summer!

The Eastwood Staff
