#### PRINCIPAL'S PERSPECTIVE

Week 22

One of ECS' goals is to see our students mature over the years into wise young men and women who are critical thinkers with a biblical worldview. Our curriculum is orchestrated to help promote this goal. I am always encouraged when I see students attempting to make wise decisions for their lives. Solomon, as the wisest man ever to have lived, wrote volumes about wisdom. Probably the most profound truth he possessed concerning wisdom is his understanding of where it is not found. Ecclesiastes 7:23 states, "I tested all this with wisdom, and I said, I will be wise, but it was far from me." Solomon realized that wisdom was not found inside of himself. It was outside of himself and it was very far away. Wisdom is only found in one place. Colossians 2:3 speaking of Jesus says, "In whom are hidden all the treasures of wisdom and knowledge." We need daily wisdom to guide us step-by-step through life. We need wisdom to help direct us through making difficult decisions and to help us endure when under affliction. In all these situations we should ask God for wisdom and diligently search for it in Christ. It takes a lot of toil sometimes to find wisdom. It takes persistent prayer. It takes pouring over Scripture to find the truth needed. Let us strive to model a life in pursuit of wisdom to help advance our children in becoming wise critical thinkers...Bob
