THANK YOU TO ALL OUR VOLUNTEERS!

There are so many areas where our volunteer moms and dads help our teachers and the school would not run as efficiently without all of you. We would like to say thank you to all who have joyfully served this past year. We wish we could call each one by name but sometimes we don't know who has provided the delicious snacks or copied so faithfully each week. There has been coordinators for teacher luncheons, upper school lunches, 6th grade science labs, the supply store, field day, upper school medieval day and the list goes on. The room moms have coordinated field trips and parties, and the PTO has organized projects and so generously provided for our teachers and school. As the academic year draws to a close, we want you to know how much you are appreciated and loved and what a blessing you are to all of us who serve Eastwood School.
